The purpose of the plan is to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

This policy is one of a series of school policies that, taken together, are designed to form a comprehensive statement of the school's aspiration to provide an outstanding education for each of its students and of the mechanisms and procedures in place to achieve this. Accordingly, this policy should be read alongside these policies. In particular it should be read in conjunction with the policies covering equality and diversity, Health and Safety, safeguarding and child protection.

All of these policies have been written, not simply to meet statutory and other requirements, but to enable and evidence the work that the whole school is undertaking to ensure the implementation of its core values.

While this current policy document may be referred to elsewhere in Yarrow Heights School documentation, including particulars of employment, it is non-contractual.

Equality Objectives

1. Aims

Our school aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

3. Roles and responsibilities

The Head Teacher:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents, and that they are reviewed and updated at least once every four years
- Delegate responsibility for monitoring the achievement of the objectives to the Head of Education.

The Senior Leadership member with responsibility for Equality is Hannah Cramp Head of People and Wellbeing.

They will:

- Meet with the designated member of staff for equality every term and other relevant staff members, to discuss any issues and how these are being addressed
- Ensure they're familiar with all relevant legislation and the contents of this document
- Attend appropriate equality and diversity training
- Report back to the full SLT regarding any issues
- Promote knowledge and understanding of the equality objectives amongst staff and pupils.
- Monitor success in achieving the objectives and report back to SLT

The designated member of staff for equality, will:

- Support the Head Teacher in promoting knowledge and understanding of the equality objectives amongst staff and pupils

- Meet with the Equality link SLT member every term to raise and discuss any issues
- Support the Head Teacher in identifying any staff training needs, and deliver training as necessary

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and directors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training at scheduled times each year.

The school has a designated member of staff for monitoring equality issues, and an equality link director. They regularly liaise regarding any issues and make senior leaders and directors aware of these as appropriate.

5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or LGBT+ pupils who are being subjected to homophobic or transphobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the school will:

- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting acceptance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, RSHE, citizenship and personal, social, health and economic (PSHE) education, but also

activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures

- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute.
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different pupils within the school. All pupils are encouraged to participate in the school's activities, such as during Enrichment. We also work with parents to promote knowledge and understanding of different cultures

7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

The school keeps a written record (known as an Equality Impact Assessment) to show we have actively considered our equality duties and asked ourselves relevant questions. This is recorded at the same time as the risk assessment when planning school trips and activities. The record is completed by the member of staff organising the activity and is stored electronically with the completed risk assessment.

8. Equality objectives

Objective 1: To monitor and analyse pupil achievement by race, gender and special educational need or disability and act on any trends or patterns in the data that require additional support for pupils.

Data is analysed by the Head of Education and SENDCo. Any areas causing concern are then addressed and steps put into place with any groups or individuals requiring intervention.

Objective 2: To raise levels of attainment in core subjects for disadvantaged and vulnerable learners (FSM and Pupil Premium matrix) to that where possible they achieve national average levels in Reading, Writing and Maths.

Data is analysed by the Head of Education and SENDCo.

Objective 3: To tackle prejudice and promote understanding in relation to people with disabilities.

Awareness will be promoted by the whole school via assemblies, PHSE/RSE lessons/golden thread implementation, recruitment process and whole school ethos through stakeholder feedback, and reviewed by the Head of Education and SENDCo and shared with the Head Teacher.

9. Monitoring arrangements

This document will be approved by the Head Teacher annually .

10. Review of implementation

The implementation of this Policy is reviewed annually by the school's Senior Leadership Team in consultation with staff and a report is made to the Governance Body.

The school may submit to Cavendish Education proposals for amendments to this Policy.
